

JAMDAGNI PUBLIC SCHOOL

A report on Interactive Session: Confidence, Communication and Participation

The Interactive Session on "Confidence, Communication and Participation" for Class VI was successfully conducted on 25 June 2026 by Manasvi Choudhary of class XII.

Objective: To promote confidence, communication skills, and active participation among students.

Activities: Interactive discussion, speaking activity, and positive affirmations were conducted. Students were encouraged to participate and share their views.

Participation: 7 students actively participated and shared their views. The participating students were Shubhrit, Avni, Navya, Aaru, Rudra, Shreshi, and Aradhya.

Outcome: Students were encouraged to communicate confidently, participate actively, and adopt positive habits for personal growth. They showed interest in the activities and discussions.

Conclusion: The session highlighted that confidence develops through practice, participation, and self-belief. Students were motivated to participate more actively in future activities.
